

REMARKS

The office action issued by the Examiner and the citations referred to in the Office Action have been carefully considered.

Figure 2 has been amended to show a mesh screen and a loudspeaker in the drawings. No new matter has been added since these features are described in the specification.

It is respectfully submitted that all of the Examiner's objections have been successfully traversed and that the application is now in order for allowance. Accordingly, reconsideration of the application and allowance thereof is courteously solicited.

Respectfully submitted,

Charles Berman
